Take the **work** out of finding your **workforce**

# McFrank & Williams

McFrank & Williams is an innovative recruitment marketing/advertising agency, who differentiates themselves from other recruitment advertising agencies by a unique approach and proprietary solutions. Their proprietary intelligence tools are based on a business engagement driven model that can be tailored towards a desired outcome.

## Recruitment **Solutions** & Tools

Workforce**Locator**™

**WorkforceLocator**™ was designed with the end user in mind. This patented (U.S. Patent No. 9,047,585 ) resource is comprehensive, fast and simple to use. Its impact to your strategic human resources and workforce planning initiatives is nearly automatic.

At McFrank & Williams, we deploy recruitment marketing solutions and strategies to help companies locate and attract the most suitable, right-fit applicants based on the client's needs, competitive, cultural, economic and geographic landscape, where **WorkforceLocator**™ plays a central role.

# WorkforceLocator™

**WorkforceLocator™** provides the crucial data that reveals exactly which markets will yield the best return on your recruitment investment.

# Discover your Distinctions *with our proprietary technologies*

The *future* of the recruitment process

2015

## Data Mining to .....

**WorkforceLocator™** is a repository for government and non-government databases, updated quarterly, that yield a wealth of recruiting information for subscribers.

## .....Pinpoint the Talent

The locations that will provide the highest potential for a successful recruit.

# Discover Advantages

with our proprietary technologies

The *future* of the recruitment process

2015

Cities with the greatest number of employees by job title from specific industries or industry in general.

The standard of living and cost of living in the area in which the best candidates reside, giving businesses seeking personnel a guide for establishing salaries.

## WorkforceLocator™

Location of unemployed professionals in specific career categories and also indicates the aggregate size of the entire group

The locations that will provide the highest potential for success.

# Rethink. Recruitment.

# WorkforceLocator™

our proprietary technology

Defining your *search* parameters

2015

Workforce **Locator**™  
displays results of the  
factors you select as they  
relate to the various  
Metropolitan Areas  
(MSAs) for which data  
has been reported

## Step one: Select **Occupation**.

Search for a occupation  
and refine even futher with  
sub categories (SOC).

### For Example:

**SOC 17** Architecture and  
Engineering

Sub Category:

**SOC 17-2071** Electrical  
Engineers

## Step Two: Select **Industry**

Search the Industries wich  
employ **ONLY**  
Electrical Engineers

### For Example:

**NAICS 48-49**  
Transportation,  
Warehousing, Postal  
Service, Couriers

Sub Category:

**NAICS 486** Pipeline  
Transportation

## Step Three: Select **Factors**

Further refine tyour results by  
selecting factors as they relate  
to the various Metropolitan  
Areas (MSAs) including:

- Occupational Factors
- Minority Classifications  
EEO-1
- Industry Factors
- General Factors
- Density Factors
